This Order technically corrects Order No. 2010-809 that in its first paragraph stated a directive dated November 10, 2010 was issued in Docket No. 2009-220-C. Instead, the Order should have stated that this directive was issued in Docket Nos. 1996-

51-C and 1996-230-C to amend Order No. 2009-769 in Docket No. 2009-220-C. Accordingly, we are issuing an Amended Order which corrects this mistake, and in all other respects it is unchanged from the original.

This matter comes before the Public Service Commission of South Carolina (“Commission”) on a request to amend the language of certain Orders in the above captioned Dockets to reflect the fact that Verizon Long Distance, LLC and Verizon Enterprise Solutions, LLC continue to offer long distance services and maintain their certificates of public convenience and necessity. Initially, the Commission issued a directive, dated November 10, 2010 in Docket Nos. 1996-51-C and 1996-230-C, that attempted this change by modifying Order No. 2009-769 in Docket No. 2009-220-C. However, it has become apparent that it would be simpler to modify Directive Order Nos. 2010-657 and 2010-686 in Docket Nos. 1996-51-C and 1996-230-C to achieve the same result.

The amended language for Directive Order No. 2010-657 in Docket No. 1996-51-C shall now read: “Grant the request of Verizon Long Distance, LLC to cancel its bond on file with the Commission as it does not provide prepaid telecommunication services.”

The amended language for Directive Order No. 2010-686 in Docket No. 1996-230-C shall now read: “Grant the request of Verizon Enterprise Solutions, LLC to cancel its bond on file with the Commission as it does not provide prepaid telecommunication services nor does it require deposits or advanced payments from customers.”

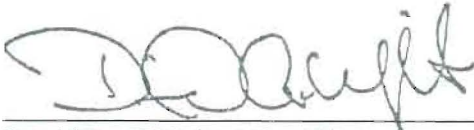

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
